Pecan Turtles

These chewy, pecan turtles taste even better than they appear! If you're like me, your mouth is probably watering right now just looking at them. Specially selected, large, full-flavored pecans are surrounded with rich, creamy caramel, and then drenched with the finest chocolate. They're totally irresistible! Two-dozen of these delicious turtles are packed in one of our fourteen-ounce gift boxes. Choose from our wooden collector's box fire-branded with your imprint; or our forest green box or navy blue box tied with ribbon and foil-stamped with your logo in gold onto the box for an elegant finishing touch.
